About Our School

Welcome to Greenacre Public School. We are a vibrant school that implements quality, collaborative, comprehensive programs to meet the needs of all our students in Kindergarten to Year 6.

We are committed to developing and maintaining a transparent learning culture where there is a shared responsibility for student growth. With high expectations our students will become critically literate and socially adaptable citizens. Each will be able to achieve their individual potential and make sense of their world.

Children are the core of
everything we do
