SCHOOL DONATION

The quality and effectiveness of our school to a large extent dependent on the success of fundraising and payment of school fees.

The payment of the School Donation is voluntary. However, in order to make a good school better, our school would welcome your contribution.

The funds generated will be used to purchase outdoor seating and playground improvements.

The School Donation for 2017 is \$10.00 per student.

Please support our school by paying these fees as soon as possible.

Ross Cleary
Principal
